RÚIN / MOTIONS

To be returned to secretary.carryduff.down@gaa.ie or via post to our club premises no later than 8pm on 6 November 2024

Nóta (Note): Although there is no limit to the number of Motions that may be submitted, you should consider what constitutes a Motion to ensure your proposal is relevant.

Should your proposal be included for discussion you should be able to speak briefly on it at the AGM providing an outline of its purpose and your rationale and in accordance with the Rules contained within the Standing Orders.

If your proposal is deemed to be ineligible (for which advice will be taken from the County Board) you will be notified that it cannot be considered by the AGM.

Motions may include suggestions or proposals to do something new or to amend how we do something which, if carried, will need to be considered (and potentially implemented) at the relevant governance level, i.e., Provincial; County or Club.

At club level this means you may propose a change to how something is done or propose something new. These matters are then aired on the floor at the AGM and, if passed, referred to the incoming Executive Committee for further consideration.
