

Voting Procedures – if any position is contested

Should the number of Nominees for any particular position be equal to or less than the number of positions to be filled, such nominees shall be declared elected.

Where 2 candidates are nominated for the same position a simple majority (50%+1) determines the outcome.

Where 3+ candidates are nominated for the same position the candidate with the lowest number of votes is eliminated until 2 candidates are left at which point a simple majority (50%+1) determines the outcome.

Any mandatory positions left unfilled shall be filled by the new Executive Committee, as soon as practical after the Annual General Meeting.
