

Membership Proposal 2025

The main points under this proposal are to

1. Introduction of GAA All-Stars membership rate.
2. Facility to include all GAA All-Stars into family rate (irrespective of age).
3. Introduction of a Competitive Rounders/Handball Player rate.
4. Reduce number of instalments to 6 so that membership is collected by July.
5. All members will be registered as GAA members. The option to add other associations will not be available to members. The Registrar will register members as they are added to teams in Foireann by coaches. This will reduce the unnecessary fees that we pay to the various GAA-affiliated Associations where parents tick all, even when their children do not attend.
